**STIPULATION**

The initial Case Management Conference in this action is currently scheduled for June 20, 2006 before the Hon. Martin J. Jenkins. The Parties' Rule 26(f) Report and Joint Case Management Statement and Proposed Order are currently due on June 13, 2006. The Parties wish to continue these dates for the following reasons:

Defendant County of San Mateo was served with the complaint in this case on June 9, 2006. Plaintiffs have not yet served the three named individual defendants, and to date have been unable to locate Defendants Greg Pitlock and Mark Cody. Defendant Pitlock has apparently retired

1 and no longer lives in California, and Plaintiffs have been unable to determine whether Defendant  
 2 Cody still works for the San Mateo County Sheriff's office. The Parties therefore need additional  
 3 time to prepare their Rule 26(f) Report and Joint Case Management Statement.

4 Counsel for the Parties have conferred about alternate CMC dates, and are available on July  
 5 18, 2006. The next date on which Judge Jenkins and counsel for both parties are all available is  
 6 August 15, 2006. The Parties therefore propose one of the following schedules for initial filings  
 7 and the Case Management Conference:

8 File Joint ADR Certification and Stipulation	June 27, 2006 or August 1, 2006
9 File Rule 26(f) Report and Joint CMC Statement	July 11, 2006 or August 8, 2006
10 Case Management Conference	July 18, 2006 or August 15, 2006
